

# who i am

## LOVE Rules

1 Thou shalt have no other gods before me.

LOVE's my single source of who i am.

2 Thou shalt not make unto thee any graven image...

LOVE's creating only good for me to see.

3 Thou shalt not take the name of the Lord thy God in vain;

LOVE's producing only good for me to be.

4 Remember the sabbath day, to keep it holy.

LOVE's infinite show is eternally playing.

5 Honor thy father and thy mother:

LOVE's directing the role i love fulfilling.

6 Thou shalt not kill.

LOVE's giving me love for everyone.

7 Thou shalt not commit adultery.

LOVE's scripting what i'm thinking.

8 Thou shalt not steal.

LOVE's ideas meet my needs.

9 Thou shalt not bear false witness...

i see who LOVE sees.

10 Thou shalt not covet...

i love being me.

## LOVE's Power

Is it true that LOVE is my only source?

Tough to understand one infinite force,

LOVE being the fount of all real being,

designer of all there really is to be seeing.

Hard to grasp all LOVE's doing this hour,

imagine the infinitude of LOVE's power.

LOVE is invisible, never ever seen,

like wind, oxygen, gravity are unseen,

qualities, ideas, numbers not touched,

though i see them expressed so much.

LOVE, although invisible, never in view,

is showing me who i am and what to do.

LOVE is only GOOD, but bad stuff's going on.

As i wake to LOVE's GOOD, all bad stuff's gone.

Only LOVE's GOOD qualities are in every place.

LOVE's giving only GOOD ideas to the human race.

LOVE's producing all real motion and action GOOD.

LOVE's the womb of my pure man-womanhood.

LOVE is THE FORCE making our earth spin,

planets in our small solar system disciplined,

gazillions of galaxies roam in outer space,

electrons a buzz in an infinitesimal place,

all molecules stay where they belong,

always keeping me morally strong.

LOVE is INFINITE, flourishing everywhere.

LOVE's filling here, near, out there.

Zoom to the far side of our moon,

LOVE's permeating the place.

Travel countless light years,

LOVE's saturating all space.

LOVE's north, east, south, and west,

ever present, supplying me what's best.

LOVE is ETERNAL, no time, start, nor stop,

no beginning or ending, interruption or clock.

LOVE's constant, continuous, always, forever,

caring for everyone, everywhere, altogether,

perpetually keeping the real universe fear-free,

perfectly maintaining all i ever in actuality see.

If LOVE should quit, cease, throw in the towel,

there'd be no universe, me, nor even a world;

nothing would be left, complete extermination;

all i now know and see, absolute obliteration;

but LOVE is totally engaged in eternally being

GOOD, THE FORCE, INFINITE, ETERNAL,

fashioning the ideal universe and us supernal.

LOVE is loving me,

conceiving, creating me,

defining my distinct identity,

determining my daily destiny,

directing all my work perfectly,

producing who i am eternally.

## LOVE's Show

What is all that i see?

It's not what it appears to be.

All that i see is made of atoms.

Scientists now know that there is

nothing in any atom anywhere.

Every atom is always empty;

nothing in all that i ever see.

All that i see is a little like

what i see at a 3D movie.

Images i see on a screen

are reflections of images

that are in the projector.

Nothing in the reflection;

nothing in the show i see.

Each instant LOVE is making

one infinite image of the

ideal universe and us.

LOVE's show is a

ceaseless series

of infinite images.

LOVE's show is the

**Real Universe**,

starring each of us.

LOVE's show has

only good scenes,

characters, stories.

LOVE's show has

countless good objects

to see, hear, feel, taste, smell.

While it may not seem so,

LOVE's ideal show is the

only one now playing.

The only real reality

is a reflection of

LOVE's show.

## LOVE's Child

LOVE is naming me.

Taking LOVE's name,

i awake to a new view.

i apprehend who i am:

LOVE's cherished child.

LOVE constantly casts me

in a distinctly individual role

in LOVE's universal show,

giving me every idea i need

to succeed without greed.

LOVE is Mother & Father,

defining my character,

direction and purpose,

talents and abilities,

who i really am.

## LOVE's Day

Zero seconds, no time;

infinity is ever new now;

now is LOVE's perfect day.

LOVE's imagining an ideal universe now.

LOVE's creating that ideal universe now.

LOVE's universal show is now playing.

i'm loving my role in LOVE's show.

i'm thinking, moving, thriving in it.

i'm in character, rhythm, sync.

i'm in this current moment,

this immediate instant,

LOVE's dynamic day.

## LOVE Directs

Doing what is right is paradise.

Doing what should be done is fun.

Doing what i really ought to do is cool.

Doing what LOVE directs sets me free.

LOVE directs me to be

alert, affectionate, accurate,

courageous, creative, charitable,

intuitive, intelligent, inspired,

principled, persistent, pure,

sincere, selfless, strong.

i'm in essence the me

our Mother & Father

is making me to be.

## LOVE Adores

LOVE's with me.

LOVE adores me.

LOVE moves me to

show forgiveness,

practice patience,

feel charitable,

make peace,

be unselfish,

understanding,

continually meek,

constantly loving,

always innocent.

LOVE gives me

a pure love for

all my family,

every neighbor,

even all mankind.

## LOVE's Script

i know what i should do:

be faithful, loyal, true;

do to others

as i'd like them to do to me;

be grateful LOVE's making me.

But sensualism is screaming

like never before,

temptations galore;

easy to get carried away,

toss moderation out the door;

not take a stand

or do what is right,

just let "whatever" happen.

i could get away with a lot,

but eventually i'd get caught

or become totally distraught.

Gotta be a better way.

i'll strive to focus on LOVE,

not fairy tales, fantasies, fables.

Trust, depend, lean on LOVE.

Be totally attuned to LOVE.

Listen to LOVE.

Yield to LOVE.

Serve LOVE.

Obey LOVE.

One will : LOVE's.

One way : LOVE's.

One plan : LOVE's.

One script : LOVE's.

## LOVE's Supply

LOVE's supplying me

**THE BIG IDEA**,

the **Real Universe**.

LOVE's supplying me

only good ideas

to think.

LOVE's supplying me

only good ideas

to see.

LOVE's supplying me

only good ideas

that move me.

## LOVE Sees

Can i choose how i see others?

How would i like them to see me?

Being hard on others is hard on me.

i can choose who it is that i see.

i can take stock constantly,

regularly review my view,

to see how i see others,

to see who LOVE sees.

LOVE is showing me

who others really are.

No judging; it's never a race.

We each receive LOVE's grace.

Seeing others how LOVE sees,

ever whole, complete, unique,

i witness who others are,

see who LOVE sees.

## LOVE Satisfies

Looking for happiness

in all the wrong places?

Boozing blurs it; gambling loses it;

sex doesn't do it; drugs delude it;

smoking chokes it; buying buries it.

Coveting another's house, spouse,

body, or lifestyle never satisfies.

Craving fashion, food, or friends

is always a bust, never enough.

None of it lasts, fulfills, satisfies.

How do i find satisfaction?

How do i know what i need?

How do i discover who i am?

Really, i already know where to go.

There is ever only one place to look.

LOVE owns all the good i ever need.

Valuing the good i've already received,

thanking LOVE for supplying all the good

qualities and ideas i've ever known,

opens my door for even more.

LOVE is my best friend:

perpetually loving me,

giving me qualities,

supplying me ideas,

satisfying all needs.

## i'm loved and loving

LOVE, YOU're loving me,

creating the universe,

defining my identity,

instilling qualities,

supplying ideas,

making what i see,

furnishing what i feel,

directing all my moves,

satisfying all of my needs,

sustaining all of us eternally.

i'm loving YOU and everyone.

We're each YOUR child now,

expressing YOUR qualities,

manifesting YOUR ideas,

reflecting YOUR image,

performing a vital role

in YOUR ideal show.
